Re: Request for Certificate of Correction

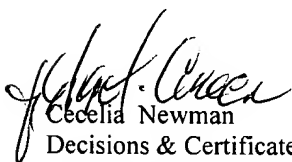

Consideration has been given your request for the issuance of a certificate of correction for the above identified patent under the provisions of Rule(s) 1.322.

Review of applicants' request to correct errors in the claims of the printed patent has revealed the modification unwarranted as errors cannot be found in the printed patent.

To further consider, applicant should submit a request for reconsideration with the inclusion of specific location of errors as they appear in the printed patent using column and line reference. Applicant should also include instructional direction as to the action desired e.g. add, delete. See MPEP 1485.

In view of the forgoing your request in this matter is hereby denied.

Further correspondence concerning this communication should be directed to Decisions and Certificate of Correction Branch. Any telephone inquiries concerning this communication should be directed to Ms. A. Green at (703) 308-9380 ext. 123.
